Director of Public Works

BOARD MOTION OF NOVEMBER 22, 2011, AGENDA ITEM 17 LARK ELLEN AVENUE AND TUDOR STREET

On November 22, 2011, your Board approved a motion directing us to install a traffic signal at the intersection of Lark Ellen Avenue and Tudor Street in the unincorporated Covina area. The motion also required us to report to your Board within 14 days with a schedule for the installation and activation of the signal.

The total cost of the traffic signal is estimated to be \$240,000, including design and construction. We anticipate the signal to be operational by June 2012.

If you have any questions, please call me or your staff may contact Patrick V. DeChellis, Deputy Director, at (626) 458-4004.
